

NCI GROWS SERVICES LEADERSHIP

Mississauga, Ontario, Canada; October 3, 2009 - for immediate release

In order to meet growing client demands and to ensure continued best service delivery, NCI is pleased to announce the addition of several key players to its staff.

Fred Gillespie joins NCI as Vice President of Sales. Fred is a seasoned veteran of the IT industry having established his career in the ranks of IBM and Amdahl where he successfully managed strategic accounts and earned several prestigious sales achievement awards. More recently, Fred has held positions as Canadian Managing Director for SunGard, where he successfully doubled SunGard's disaster recovery business in Canada, and as Marketing & Sales Manager with GSS Group, Platform Computing and GlassHouse Systems. Fred holds an Honours Bachelor of Commerce degree from the University of Manitoba.

Sylvie Bilodeau joins NCI as Director of Professional Services. Sylvie brings over 20 years of experience with IBM Canada in services and sales management. She has been responsible for the successful delivery and coordination of IT services to numerous major accounts. A graduate of the University of Montreal with a Bachelor of Business Administration, Sylvie has also been one of the Senior Leaders of the Canadian Women Leadership Council for IBM Canada.

David Laita joins NCI as Senior Security Specialist and PCI QSA (Payment Card Industry Qualified Security Assessor). With more than 10 years of IT Security Experience, David is also a CISSP (Certified Information Systems Security Professional), CISA (Certified Information Systems Auditor), and CEH (Certified Ethical Hacker). David has an extensive portfolio of experience in Vulnerability Assessments and Ethical Hacking, Network and Security Architecture, PCI

compliance auditing and remediation. He has worked on PCI projects for a number of major retail organizations in Canada.

“NCI’s specialty is security. Our focus is service”, says NCI President, Dan Timmins. “We help our clients achieve their IT security goals by working closely with them to understand their needs and their constraints. This has been the key to our success and to the growth in our client base. Fred and Sylvie bring a wealth of experience not only in the IT industry, but in team leadership. This will be instrumental in helping NCI continue its growth in service excellence and in streamlining our operations. David is another great addition to our already strong technical services and QSA teams.”

NCI is Canada’s premier full service provider of IT Security and Networking services and solutions. NCI’s team of experienced security professionals (CISSP, CISA, and SANS GIAC certified) are experts in Security Assessments, Application Assessments, Wireless Assessments, Managed Services, Digital Forensics, and IT Security Solutions.
